## Grant to Clubs for club leagues & competitions.

The Association wants to help clubs get the racquetball re-started at club level following an 18 month absence due to the pandemic.

The Association is offering support by way of grants to clubs who run leagues and competitions in the coming months. A grant of up to 200€ is available to clubs who can run a league with 8 players or more and up to 400€ to clubs who run a league with 16 players or more.

Only one grant is payable per club and the grants are confined to the 21/22 season. Leagues or competitions started after the 31st March 2022 will not be eligible for grants. Leagues or competitions already started are eligible for a grant. Grants will be payable to clubs by bank transfer to the club's bank account or by cheque.

Grants will be payable after the league or competition has been completed. Payment of grants will begin in January 2022 for leagues that were completed before Christmas. Drawsheets/ fixture lists and photographs of winners must be submitted to the Association as evidence that the league/competition took place. Ladders must be active.

Applications for the grants should be made on the form below,. Please scan or photo the completed application form and send to [info@racquetball.ie](mailto:info@racquetball.ie) Closing date for applications is **31st December 2021**.

If your club has already started a league or plan a league between now and March 2022 you should make an application now or before the closing date.

*If the scheme is over subscribed grants maybe reduced accordingly.*
